

ALAIN DAVE G. TAPIRU

SEO SPECIALIST | TECHNICAL SEO | DIGITAL MARKETING

Mabalacat City, Pampanga, Philippines | +63 906 324 9560 | alaintapiru@gmail.com | alaintapiru.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Hands-on SEO and web specialist with a BPO customer-support background and practical experience in technical audits, on-page optimization, local search diagnostics, analytics, and search-ready web development. Built and documented live projects using WordPress, Next.js, Google Search Console, GA4, Screaming Frog, Semrush, and Ahrefs. Brings structured problem-solving, clear client communication, and reliable independent execution to SEO and digital marketing teams.

CORE SKILLS & TOOLS

SEO: Technical SEO audits; crawlability and indexability; on-page SEO; keyword research and intent mapping; internal linking; metadata; Schema.org/JSON-LD; Core Web Vitals

Local & Analytics: Google Business Profile diagnostics; NAP/category/review analysis; Google Search Console; Google Analytics 4; Lighthouse; PageSpeed Insights

Platforms & Tools: Screaming Frog; Ahrefs; Semrush; Ubersuggest; WordPress; Elementor; Next.js; React; Payload CMS; HTML/CSS; GitHub; Google Workspace; Microsoft 365

SELECTED SEO & WEB PROJECTS

- **AlainTapiru.com** - Architected a production portfolio with Next.js and Payload CMS; implemented 30+ search-friendly routes, semantic markup, JSON-LD entity schemas, analytics, and AI-discovery endpoints. Documented Aug 2026 lab scores of 99 desktop performance, 96 mobile performance, and 100 SEO/Best Practices.
- **Local SEO & GBP Health Checker** - Built a live diagnostic tool that evaluates 10 public Google Business Profile signals, flags category/NAP/review gaps, and generates a tailored 30-day action plan with downloadable PDF reporting.
- **AngatSikat Studio** - Developed an ongoing custom WordPress theme using PHP templates, semantic HTML, responsive CSS, schema, metadata, and clean permalink structure; recorded a 98+ mobile Lighthouse score and sub-1.2-second local lab benchmark.

SEO TRAINING & EXPERIENCE

SEO Sales Staff | Frelas Media | Jul-Aug 2025 (Freelance)

- Conducted prospect outreach and follow-up for website and SEO packages, maintained client communication, and translated technical services into clear business terms.

SEO Trainee & Contributor | PinoySEO Bootcamp, Batch 32 | Aug-Sep 2025 (Remote)

- Completed hands-on training in technical, on-page, and off-page SEO, keyword research, and data analysis; contributed to supervised live-site audit and optimization exercises.
- Used Screaming Frog, Ahrefs, Semrush, and Ubersuggest to evaluate crawl, metadata, keyword, and on-page issues and organize recommended actions.

ADDITIONAL EXPERIENCE

Customer Experience Agent | Alorica | Apr-Oct 2024 (Full-Time BPO)

- Resolved high-volume customer inquiries, documented interactions accurately, and followed service procedures and quality standards.

Customer Service Representative | ERC Global | Jun-Nov 2023 (Full-Time BPO)

- Handled inbound customer issues in a metrics-driven environment, applying professional communication, patience, and structured problem-solving.
